

Visit Schools
Morning Speech #7
By Sophie

Good morning everyone. So some of you have heard the news that I will be going to visit two schools each week. The Board of Education (BOE) had to ask all the ALTs in Tochigi to take on extra schools. This is because the ALTs at those schools went home and no one was able to come to replace them. I was talking to the JTEs over the summer vacation about it, how we were expecting for me to get some visit schools and we were right! So. Starting in October I will go to Kanuma High School and now, every Wednesday, I am going to Mooka Girls High School. I have to take the bus to both schools and it takes me about an hour and a half to get to both schools from my house. So, unfortunately I have to get up early to make it on time.

I haven't been to Kanuma High School yet, but I have been to Mooka Girls. I was so impressed at the students; they were very kind and sweet. They also looked very lovely in their uniforms. At Mooka Girls I will teach two 3rd year classes and all the 1st year classes. I will also help with their English Club. At the moment, the English Club is working on a photo album, so I am looking forward to it when it is finished. Mooka Girls High School sits up on a hill and looks incredible from a distance.

I also heard that Mooka is very famous for Brazilian food, so one of the evenings I want to eat at a Brazilian restaurant. So, I hope I can explore and get to know the old town of Mooka while I have the chance to be there.
